

Do's and Don'ts

every model should know...

Do's

1. DO. Arrive on time, and by "on time" we mean 10 min before your call time!

"Early is on time and on time is late"

2. DO. Be polite and professional *to everyone!*

3. DO. Study the shooting theme and bring references.

4. DO. Be prepared! Practice your walk, poses, and faces in the mirror before you go.

5. DO. Have everything talked before the shooting. Like payment, hours of work, etc.

It's better to have everything straighten out from the very beginning.

Do's

6. DO. Arrive on set clean shaven, have a clean face, and clean hair.

7. Be honest! It's okay to tell them if you don't have a lot of experience.

8. ALWAYS bring a pair of black and nude heels.

9. Bring simple clear, nude nails.

10. Do your best and *have fun!*

Don'ts

1. DON'T cancel a shooting last minute unless there is a health emergency or that you're **very** ill.

*Remember there is a whole team behind a shooting, So that's a **big no-no!***

2. DON'T leak pictures from the shooting on your social accounts. Always ask permission before posting anything. Some companies or photographers don't enjoy having their work already online before the final result.

3. Don't come with make-up on or your hair done at the shooting (unless you've been asked before).

4. DON'T Mistreat the clothes.

5. DON'T play it safe and stay in the same pose. *Mix it up with innovative poses.*

Don'ts

6. DON'T let hating how your hair or makeup is done affect your performance. Model through it.

7. NEVER change your hair/makeup once they do it. Some models don't like the way they look, and they go to the bathroom and do retouch.

THIS IS RUDE AND UNPROFESSIONAL!

Go back to rule n.6, model through it.

8. DON'T bring your friend/mom/boyfriend or girlfriend to set. (Unless you're under 18).

9. DON'T apply for projects that you are not even available to do. Some models apply for projects on certain dates that they are not available for or in styles they do not want to do. DON'T APPLY IF YOU CAN'T DO THE JOB!

10. Don't complain.

How you know

some of the basic rules to becoming a great and professional model!
